iBOOTH

## iBooth™ Privacy Enclosures

iBooth is an innovative enclosure designed for today's mobile world of interactive devices, where connection is everywhere but privacy is limited. The iBooth offers both sound dampening and privacy while maintaining visibility to the surrounding space. The wall mounted and freestanding models are easily placed in collaborative and common areas, connecting corridors, lobbies, public and private space for anyone's convenience. Shown with the StackR stool.

INTEGRATE provides space efficient security and storage for monitors, keyboards, laptops, scanners, CPUs, and medical charts. Engineered for healthcare environments, with single key access, auto-close work surfaces, flush door pulls and easy wire management. Simple installation and adaptability; constructed in durable steel and aluminum, finished in powder coated colors.

## ClinArt

Adding art to your message advances the process of healing through effective patient-caregiver communication. Graphic boards slide in and out for easy changes in clinician information or room reconfiguration. The glass writing surface and steel frame promotes infection prevention with smooth non-porous, easily cleaned materials.

PETER PEPPER PRODUCTS  
EXPRESSIVE ESSENTIALS®

Peter Pepper had a vision: products designed to enliven the workplace environment, and In 1952 that vision became a reality.

The mandate was clear: the strength of this vision must start by demanding the highest caliber of design, producing an inspired product line, offering unparalleled selection.

Peter Pepper's vision was one of responsiveness and synergy; establishing relationships based on partnership and performance.

For more than 60 years, Peter Pepper Products has consistently delivered high quality products, identifying real solutions and solving your most complex problems; never compromising the integrity of the design.

At Peter Pepper Products we continue to maintain the spirit of Peter Pepper's vision; to enrich environments and uplift people with products for workplace, healthcare, education, government, institutional and hospitality.

Design and Performance.

Diversity and Practicality.

Vision is fact. Peter Pepper Products.
